January 2016

***Wishing all members a Happy New Year and an enjoyable rag rugging 2016***

## ***January Meeting***

A well attended working meeting to kick off the year.

Thank you to all those members who paid their subscriptions and a gentle reminder to those yet to cough up, the treasurer would appreciate outstanding payments at the February meeting. Don't forget your bonus – a complimentary pack of hessian along with your diary on payment.

## ***Back to Basics***

Thanks to Angela and Elizabeth for the first of 3 back to basics drop-in workshops. A series of informal sessions—need guidance, hint, tips or advice - a great opportunity to get some help and encouragement.

## ***Bag2School***

Bubwith Pre-School is running a fundraiser and would like any old clothing, shoes or belts. Any contributions to Liz Pert at the February meeting. (They can't accept bedding or curtains)

## ***2016 Diary***

Another exciting year ahead. The popular Heather Richie will be visiting us in May to run a 'Rug Chatter and Advice' workshop.

Our Summer Picnic in August will be held at The Bee Loft—many thanks to Heather Lamborn for agreeing to host us.

In October there will a workshop by Lynda Kinnard on Circular Woven Landscapes.

Please note the change of time for the April and November meetings which will run from 1.15–5.00, (an amendment is being handed out with your diaries) apologies for this but it is due to previous bookings for the hall.

## ***Your Committee needs you...***

As 3 of our existing committee members will be standing down at the next AGM (March), please give some thought to whether you would like to join us. It's not an onerous task and meetings tend to be held approximately every 2 months. Tea and biscuits included! See any of the present committee for more info
