York Open Studios

Rather than taking part directly in this event next year the committee are discussing holding an exhibition to coincide with it.

Our aim would be to showcase the varied work produced by members and to potentially run a series of one hour workshops. Members will be invited to offer their work for sale if they wish.

Date: 14th & 15th April 2018

Title & Venue: To be confirmed

Further details will be made available but in the meantime members may wish to raid their cupboards for finished items and to think about producing new and exciting pieces.
