March 2016

March Meeting

A working meeting with a number of members present. The AGM was held with reports of the past year from our chairman, Liz, and our treasurer, Kay, and the election of a new committee.

Your New Committee

Chairman—Liz Pert

Treasurer—Elaine Shaw

Secretary— Jackie Love

Membership—Angela Gray

Pam Alford and Anne Bush

Springtime Daffodils for the raffle.

Many thanks to Margaret Ramsbottom and Kay Tester who stepped down at the AGM and to Lindsay Bascombe who stepped down earlier in the year for their work on the committee over the last few years. There was a disappointing response at the AGM for new members with only Elaine Shaw being nominated. Thankfully Pam Alford and Anne Bush have agreed to join, Angela Gray joined earlier in the year.

Whilst none of the jobs performed by the committee are onerous, without them the group would cease to function. Someone has to collect the subs, update the accounts, search out and book workshops and trips, keep the shop stocked etc.

If you feel you could help out in any way, even without committing to the committee, please step forward – many hands make light work. In particular, anyone willing to keep the shop up to date, take payments and pass them onto to the treasurer, would be a real asset. Like many jobs it can be shared!

Kay has already agreed to continue booking the hall—a pretty essential job.

East Riding Country Fair

Driffield Showground April 30th–May 1st

Thank you to those who have already volunteered to run our stall, tell visitors about our craft and run demonstrations.

We still need more volunteers, especially for Sunday. Any members who would be available & willing to help out either on one or both days, please let a member of the committee know.

Free entry to the fair for all volunteers.

All members can exhibit and/or sell their work, commission free.

This is fast approaching – please can anyone who has items to sell or exhibit, bring them to the next meeting. It sounds like we have a large area to fill so plenty of items will be needed.

More Exhibitions!

Back in September I mentioned our chance to submit pieces for display at the Bailiffgate Museum in Alnwick. Please let any committee member know if you have items to contribute. Sell or exhibit, commissions on sales 25%.

Next Meeting

The next meeting is on Saturday 2nd April.

Working meeting.

Due to previous hall bookings, change of time:

1.15pm–5.00pm

Please do not arrive early – the hall will be in use.

Yarndale

Sunday 25th September

Skipton Auction Mart

This might seem a long time in the future but no better time to get organised. If you've been before you'll know it's a great day out and opportunity to spend, spend, spend on all things woolly. If you have never been – you're missing out!

Anne Bush and Margaret Hockey are organising a coach so see either of them to put your name down.

£6 deposit (final cost to be confirmed - to include ticket to the show)

Proposed pick up points at the Knavesmire and Vue Cinema.

New Workshops

Sculpting by Angela Gray – 4th June

Backing, Edging and Finishing by Margaret Hockey – 2nd July
