May 2015

April Meeting

Another well attended meeting, buzzing with activity. Grateful thanks to Margaret Hockey for her inspiring and well resourced 'Finishing Techniques Workshop'.

I found the 'Eaton Edge' technique especially useful—if you missed out, search for Doris Eaton on youtube for a video demonstration.

Committee Meeting

Following the last committee meeting, we would welcome suggestions for workshops/speakers/activities etc that any members would be interested in the Ruggers hosting. We are starting to put together the 2016 programme and need some inspirational ideas. Activities do not necessarily need to be confined to rugging as members may find other craft ideas and techniques adaptable to enhance and enrich their creations.
