May Meeting

Rug, Chatter and advice from the ever popular Heather Richie.

A lovely relaxed afternoon, Heather gave us an overview of her rugging career. She then outlined the planned events for the TIGR conference at Reeth in October 2018. Lastly Heather told us what had inspired her to found Rugaid and some of the success stories of those that have benefitted in the Gambia.

For the rest of her visit Heather gave small demonstrations and guidance to a great many of the members and visitors present.

Finally Angela, our Chairman, was able to present a cheque for £220 as a donation to Rugaid—a wonderful sum raised from the cake and plant sales throughout the year. Grateful thanks to all who have contributed the yummy cakes and super plants and to Shirley Duffin and Elizabeth Grubb who provided cakes on the day, raising an additional £15.30 which was also presented to Heather

Ebor Ruggers will continue to support Rugaid by producing and scoffing delicious cakes.
