An exhibition of Craftwork in its own Right

From Kath Russon whilst holidaying on the tiny island of Meganisi in Greece. Lovely examples of reuse and renew made by the taverna owner's mother from discarded clothing. Practical and beautiful.

New Library books

Three new books for our library, **Traditional Shirred and Standing Wool Rugs** as reviewed by Jan Haines last Month. **The Natural World of Needle Felting** by Fi Oberon, a comprehensive guide into this art form with practical step by step instructions and **Coils, Folds, Twists and Turns** by Tracy Jamar, techniques to enhance and add dimension to our rugs and wall hangings.

June Meeting - Dig out your UFOs
