## OCTOBER MEETING REPORT

Thank you to all those who made our visitors welcome when we opened our doors to the annual York 50+ Festival in October and for bringing along examples of work to display. I am afraid that in the last newsletter I got my Shirleys muddled up – it was in fact Shirley Duffin who provided the delicious cake! Thanks (and apologies...) to Shirley D.

I am sorry that the newsletter is briefer and later than usual, but I am in the process of changing over to using a Mac and it's a steep learning curve! Please bear with me while my brain attempts to make the adjustment...

However it does give me the opportunity to say that I will shortly be relinquishing the role of newsletter compiler, and I hope that someone else will step forward to take it over. It doesn't have to be anything fancy; a straightforward printed newsheet would be fine. I quite enjoy playing around on computers and so have added my own touches, but this is not at all essential. Aspiring writers, now is your chance!

## Christmas Celebrations

Our December meeting will take place on 6<sup>th</sup> December and we hope you will be there for some festive fun. As usual we will be putting on a spread for lunch, so please bring along a plate of something savoury or sweet to share.

This year we have decided to return to our Secret Santa gifts - this will take the form of a bran tub into which all gifts are placed.

Please bring along a wrapped gift up to the value of £5. The gift doesn't have to be rug-related.
