

# Ebor Ruggers

October 2017

## October Meeting

Another well attended meeting and a popular crochet workshop run by Liz Pert.

Plenty of fabulous completed work on show from our talented members and as always, the raffle and a plethora of cakes to keep us all entertained

## Origins of Ebor Ruggers.

The delightful Heather Lamborn, a long standing member of the group, will be giving us a talk at the November meeting about the beginnings of our group and, no doubt, some entertaining stories of our journey towards the present day.

A reminder to us all to behave!

# Irish Hooks

You may have noticed or even purchased the lovely Yew and Brass hooks on sale in our shop. Roisheen, on a trip to Ireland recently, visited the delightful family who produce these tools. Nice to put names and faces to them.

Neville, Carole and Mojo

Tools of the Trade.

Finished!
